To Whom It May Concern:

I am writing this letter of recommendation for Will Eggington. Will has been a student teacher in a 5<sup>th</sup> grade class at Quail Hollow Elementary School the last eight weeks. I have observed Will in a few different settings during his student teaching and have noticed how well he has fit in with the 5<sup>th</sup> grade team.

Will was able to develop positive relationships with the students in the class he worked in. The students enjoyed having him as their student teacher. Will worked closely with his cooperating teacher to improve his teaching skills, and learn all he could while he was at Quail Hollow.

Through classroom observations, I thought Will did very well instructing the students. He was clear with his objectives and gave students many opportunities to respond. He was very positive with the students and used technology to teach and engage them. It was evident that Will had built good rapport with the students and they trusted him.

Will also participated in the 5<sup>th</sup> grade team's Professional Learning Communities. He was attentive, shared ideas and was confident as he participated with the team. Will was comfortable to be there and contribute to the overall meeting.

It was a pleasure to get to know Will and have him as a student teacher at Quail Hollow Elementary. I believe Will has great potential and has the skills to be successful as a teacher in your school. Please feel free to contact me at 801-826-9175, if you need any further information.

Respectfully,

Shad DeMill
